FEATHERTOP WINES

Boynton's (formerly Boynton's of Bright winery) was established in 1989 by Kel Boynton and is today still a family owned business. It is located in Porepunkah, right on the Rail Trail in the Alpine Valleys of Victoria. Feathertop wines captures the essences of nature and the beauty and crispness of the Alpine Valleys which surround the winery. Boynton's Feathertop Winery offers more than just a cellar door, with beer, Withams Coffee, a fresh produce DYI deli, a la carte cafe running October to May, playground for the kids, function facilities and accommodation.

RINGER REEF

The Ringer Reef vineyard is known locally for its Merlot grapes planted up on the hill over-looking Porepunkah with stunning views to Mt Buffalo. Ringer Reef appreciates that wine is a wonderful form of expression; from natural influences of soil composition, growth of the vine and the effects of the elements, to the personal feelings associated with the labour of harvest, the joy of sharing a bottle and importantly, passion for the taste of wine itself.
